#### **INNOVATION IN THE SERVICES SECTOR**

Emerging Markets Finance and Trade (EMFT) - 2012 Impact factor: 1.19

This special issue will focus on emerging and developing economies, while implications of the experience of developed countries for emerging and developing economies will be considered as well. Submissions are solicited on a wide variety of topics including, but not limited to:

- Determinants of innovation in the service sector.
- Comparative analysis of innovation in the service sector vis- a-vis manufactures.
- Impact of technological and non-technological innovation in productivity of the service sector.
- Role of facilitators and obstacles to innovate in services vis a vis manufactures.
- Role of human capital for innovation in the service sector.
- Public and private service innovation programs' impact evaluations.
- Role of intellectual property rights for innovation in the service sector.
- Innovation in knowledge Intensive business services (KIBS).
- Exports in global services, outsourcing and innovations.

The guest editors of this special issue are:

Gustavo Crespi, *Inter-American Development Bank*.

Diego Aboal, CINVE, *Universidad de la República y Universidad ORT*.

Claudio Bravo-Ortega, *Universidad de Chile*.

#### Deadline

The submission deadline is **December 15, 2013** and papers may be submitted before the deadline. Papers will go through a standard refereeing process.

#### Submission process

- All submissions must be done electronically through the Editorial

- Express submission system at: <https://editorialexpress.com/emft>
- Standard submission fee applies.
  - In the electronic submission process, please select "Innovation in the Services Sector" as the special issue category to ensure that your paper is processed correctly.
  - Initial submissions should be no more than maximum 30 pages (double-space, Times New Roman, font size 12). A single document including all the text, tables, figures, references, etc., should be submitted.
